ISUOG Outreach in Haiti cut short

ISUOG's 3rd Outreach visit to Haiti was cut short following Tuesday's devastating earthquake.

After 2 days providing emergency medical support the team left Haiti safely with the assistance of our Outreach partners [Partners in Health](#) and [Physicians for Peace](#), who continue to support the relief efforts. Find out more about their work or donate via their websites. For the full report from Alfred Abuhamad and photos please click [here](#)
