

20th World Congress on Ultrasound in Obstetrics and Gynecology

10–14 October 2010, Prague, Czech Republic

Sunday 10 October 2010

07:00–20:00	Registration in Level 1 foyer			07:00–20:00
	Congress hall	Club A	Club E	
08:00–13:00		Pre–Congress course: 11 – 14 week scan	Pre–Congress course: Pelvic floor ultrasound	08:00–13:00
14:00–16:00	Welcome Top 5 abstracts Stuart Campbell lecture Alfred Kratochwil lecture ISUOG AGM			14:00–16:00
16:00–16:30	Coffee break			16:00–16:30
16:30–17:30	Gold Medal lecture Special lectures			16:30–17:30
17:30–18:00	Interval drinks			17:30–18:00
18:00–18:30	Performance by the Black Light Theatre company			18:00–18:30
18:30–21:00	Welcome reception			18:30–21:00

Monday 11 October 2010

	ORAL SESSIONS		BREAKOUTS				
	Congress hall	Forum hall	Panorama hall	North hall	Club A	Club E	
07:45–08:30			'All you ever wanted to know' sessions*				07:45–08:30
09:00–10:00	Live scan Congenital heart disease	Short term outcome in fetal growth restriction	Early pregnancy				09:00–10:00
10:00–10:40		Short oral presentation sessions (oral posters)					10:00–10:40
10:40–10:55		OP01	OP02	OP03	OP04	OP05	10:40–10:55
10:30–11:00		Electronic poster Q&A					10:30–11:00
10:30–11:00		P01	P02	P03	P04	P05	10:40–10:55
10:30–11:00	COFFEE AND ELECTRONIC POSTER VIEWING						10:30–11:00
11:00–12:30	Live scan Advanced fetal echocardiography: atrial isomerism (heterotaxy)	Identifying risk in monochorionic twin pregnancy Live scan	Ultrasound and the acute gynecology patient		ISUOG Outreach		11:00–12:30
12:30–14:00	LUNCH, ELECTRONIC POSTER VIEWING, SPONSOR ACTIVITIES						12:30–14:00
12:30–14:00	Philips satellite symposium						12:30–14:00
14:00–15:00	Live scan First trimester	Twin–twin transfusion syndrome	Abnormal uterine bleeding				14:00–15:00
15:00–15:40		Short oral presentation sessions (oral posters)					15:00–15:40
15:40–16:00		OP06	OP07	OP08	OP09	OP10	15:40–16:00
15:40–16:00		Electronic poster Q&A					15:40–16:00

		P06	P07	P08	P09	P10	
15:40–16:10	COFFEE AND ELECTRONIC POSTER VIEWING						15:40–16:10
16:00–17:30	Advanced fetal neurosonography	Live scan	Practical new tools in fetal echocardiography	Early pregnancy complications		Live scan	16:00–17:30
						Doing it safely	
	Live scan					Live scan	
17:50–18:35						'All you ever wanted to know' sessions*	17:50–18:35

Tuesday 12 October 2010

	ORAL SESSIONS		BREAKOUTS				
	Congress hall	Forum hall	Panorama hall	North hall	Club A	Club E	
07:45–08:30			'All you ever wanted to know' sessions*				07:45–08:30
09:00–10:00	Live scan	The assessment of pelvic pain	New imaging techniques				09:00–10:00
	Fetal cardiac function						
10:00–10:40		Short oral presentation sessions (oral posters)					10:00–10:40
		OP11	OP12	OP13	OP14	OP15	
10:40–10:55		Electronic poster Q&A					10:40–10:55
		P11	P12	P13	P14	P15	
10:30–11:00	COFFEE AND ELECTRONIC POSTER VIEWING						10:30–11:00
11:00–12:30	CNS imaging in early pregnancy	Reproductive medicine	Obstetric management				11:00–12:30
	Live scan						
12:30–14:00	LUNCH, ELECTRONIC POSTER VIEWING, SPONSOR ACTIVITIES						12:30–14:00
	Siemens satellite symposium	Medison satellite symposium					
14:00–15:00	Live scan	Using ultrasound to assess urogynecology patients	Preterm labour				14:00–15:00
	Multiple pregnancy						
15:00–15:40		Short oral presentation sessions (oral posters)					15:00–15:40
		OP16	OP17	OP18	OP19	OP20	
15:40–16:00		Electronic poster Q&A					15:40–16:00
		P16	P17	P18	P19	P20	
15:40–16:10	COFFEE AND ELECTRONIC POSTER VIEWING						15:40–16:10
16:00–17:30	Live scan	Live scan	Doppler in screening	Borderline findings			16:00–17:30
	Molecular vs ultrasound screening for T21	Fertility: assessing ovarian reserve and the uterus					
19:30–00:00	Congress party at the Zofin Palace						19:30–00:00

Wednesday 13 October 2010

	ORAL SESSIONS		BREAKOUTS				
	Congress hall	Forum hall	Panorama hall	North hall	Club A	Club E	
07:45–08:30			'All you ever wanted to know' sessions*				07:45–08:30
09:00–10:00	Live scan	Diagnosis and management of ovarian pathology	In-utero interventions				09:00–10:00
	Maternal fetal Doppler						
10:00–10:40		Short oral presentation sessions (oral posters)					10:00–10:40
		OP21	OP22	OP23	OP24	OP25	
10:40–10:55		Electronic poster Q&A					10:40–10:55
		P21	P22	P23	P24	P25	
10:30–11:00	COFFEE AND ELECTRONIC POSTER VIEWING						10:30–11:00
11:00–12:30		Scanning	Ultrasound in				11:00–12:30

	Fetal surveillance	asymptomatic women: cancer screening	labour				
	Live scan						
12:30–14:00	LUNCH, ELECTRONIC POSTER VIEWING, SPONSOR ACTIVITIES						12:30–14:00
	GE satellite symposium						
14:00–15:00	Live scan	Mathematical models and new second stage tests to assess the ovary					14:00–15:00
	Long term outcome in fetal growth restriction						
15:00–15:40		Short oral presentation sessions (oral posters)					15:00–15:40
		OP26	OP27	OP28	OP29	OP30	
15:40–16:00		Electronic poster Q&A					15:40–16:00
		P26	P27	P28	P29	P30	
15:40–16:10	COFFEE AND ELECTRONIC POSTER VIEWING						15:40–16:10
16:00–17:30	The spectrum of 3D/4D ultrasound in prenatal diagnosis	Use of ultrasound in gynecological oncology	How fetal conditions affect the heart				16:00–17:30
	Live scan	Live scan					
17:50–18:35				'All you ever wanted to know' sessions*			17:50–18:35

Thursday 14 October 2010

	ORAL SESSIONS		BREAKOUTS				
	Congress hall	Forum hall	Club A	Club B	Club D	Club E	
07:45–08:30			'All you ever wanted to know' sessions*				07.45–08.30
08:30–09:10		Short oral presentation sessions (oral posters)					08:30–09:10
		OP31	OP32	OP33		OP34	
09:10–09:25		Electronic poster Q&A					09:10–09:25
		P31	P32	P33		P35	
09:30–10:30	Live scan	The post-menopausal endometrium and cervical pathology					09:30–10:30
	Second trimester scan						
10:30–11:30	COFFEE AND ELECTRONIC POSTER VIEWING						10:30–11:30
11:00–11:40		Short oral presentation sessions (oral posters)					11:00–11:40
		OP35	OP36	OP37	OP38	OP39	
11:40–13:10	Cardiac function in specific conditions	Imaging in the oncology patient: staging, recurrence & interventions					11:40–13:10
	Live scan						
13:10–13:30	Closing plenary						13:10–13:30
13:30	FAREWELL DRINKS, LUNCH AND CONGRESS CLOSE						13:30

Key	
	'All you want to know' sessions*
	Gynecology oral session
	Live scan
	Obstetric oral session
	Short oral presentation sessions (oral posters)
	Plenary session
	Satellite symposium
	Electronic poster session
	Workshop session
	Pre-congress course
	Plenary
	Social

Catering breaks (Mon–Wed) will be served in the exhibition hall. Thursday catering will be served in the Level 1 foyer and buffet bar

* 'All you ever wanted to know sessions must be pre-booked and cost €25 per session
