

Call for Papers!

There are less than 3 weeks left to [submit your abstracts](#) for the 20th World Congress in Prague. Abstracts must be submitted via the [online submission form](#) by 12 April 2010.

Special [registration fees](#) apply to abstract submitters.

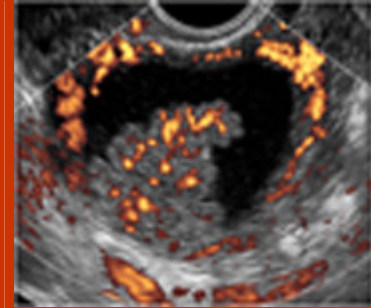

Last Chance!

ISUOG's 6th International Scientific Meeting in Cairo is taking place this week! You can still register to attend at www.isuogcairo2010.com

ISUOG Education: Gynecology course, Rome

Registration is open for ISUOG's Ultrasound in Gynecology course in Rome, Italy, 22-23 April, 2010. The lecture program focuses on live scan demonstrations. You can view the [preliminary program online](#).

Places are strictly limited so please register early to avoid disappointment.

Education news

Web lectures from last month's Congenital anomalies and fetal echocardiography course are now available to view to all ISUOG members. You can also [read more](#) about the course and view pictures online.

A review of the ISUOG approved courses in Beijing and Macau, 20-21 January is available to [read online](#). It was attended by over 600 delegates with contributions from five ISUOG Board members.

Journal news

You can now view new articles on ultrasound in obstetrics and gynecology even sooner. Articles that are accepted for publication in *Ultrasound in Obstetrics & Gynecology* will appear online as a PDF pre final editing within 2 weeks. To view the articles currently available in accepted article format please click [here](#).

This month's editor's choice article from UOG is also available to view online: [Fetal interrupted aortic arch: 2D-4D echocardiography, associations and outcome](#).

Renew now if you haven't already!

All members who have not yet renewed have had their accounts suspended. To re-activate your membership login to the website and click on the 'Renew' link in the top right.
