

ISUOG

International Society of Ultrasound in Obstetrics and Gynecology

ISUOG's new look

We are delighted to unveil ISUOG's new logo! This will replace our existing logo on all materials from January 2010.

Membership 2010

Renew your membership now to ensure uninterrupted access to your member benefits for 2010!

Login at www.isuog.org to renew or upgrade from registered user status.

Remember also to let us know how we did in 2009 and what you would like to see in 2010 through our annual customer satisfaction survey: [Member survey](#)

ISUOG courses

ISUOG's combined course on Doppler in Obstetrics & Ultrasound in labour is now full! You can register your interest in our next Doppler course by e-mailing info@isuog.org

Registration has opened for our course on Congenital Anomalies and Fetal Echocardiography in London (5-6 Feb 2010). Please click [here](#) for more details and to register.

ISM

Early bird registration for ISUOG's 6th International Scientific Meeting in Cairo, 25-28 March 2010 ends on 31st December 2009. Go to www.isuogcairo2010.com to register.

Lectures from Hamburg

Thank you to over 1600 delegates, 110 speakers and 300 exhibitors for their contribution to our World Congress in Hamburg. You can view just some of our free communication lectures [here](#) and read 'best in category' abstracts. More lectures from the Congress will go live for members in January.

Our new poster pods were a huge success with 20,500 viewings! If you haven't already, let us know what you thought about this and other aspects of the meeting through our short [Congress survey](#).

Photos and videos are also up at www.isuog.org/worldcongress/2009
