

36TH ISUOG WORLD CONGRESS ON ULTRASOUND IN OBSTETRICS & GYNECOLOGY LONDON, UK 4-7 SEPTEMBER 2026

Sponsor and Exhibitor registrations: ISUOG World Congress 2026

The sponsor/exhibitor portal for the ISUOG World Congress is now open. You must use this portal to register your team for the event. Please read the following instructions *very carefully*.

The portal will allow the following 2 types of registrations:

- **Stand badges** – for access to the exhibition hall ONLY (and your hospitality suite/meeting room if applicable)
- **Industry scientific badges** – for access to all areas of the Congress venue

Within these 2 categories, there are an allocated number of **complimentary** badges (amount dependant on your package entitlements) and the possibility to add **paid** badges, e.g. once the complimentary allowance has been used up.

Early bird registration deadline (pricing increases after this date): **6 July 2026**

Deadline to allocate and/or purchase all badges for your team: **9 August 2026**

Logging in:

- 1) Log in to your exhibitor portal account using the link below (only the main contact of confirmed exhibitors will be able to access this link). If you are a new exhibitor of ISUOG and you have not used this portal before, click 'forgotten password' to create your account.

[Log in to the exhibitor portal](#) >

- 2) You can add additional admins who will all be able to assign and purchase items on behalf of your company. *You should only do this for other coordinators who you would like to assign this responsibility to, not for all your staff.* To do this go to 'Team', 'Admins', 'Add Admin':

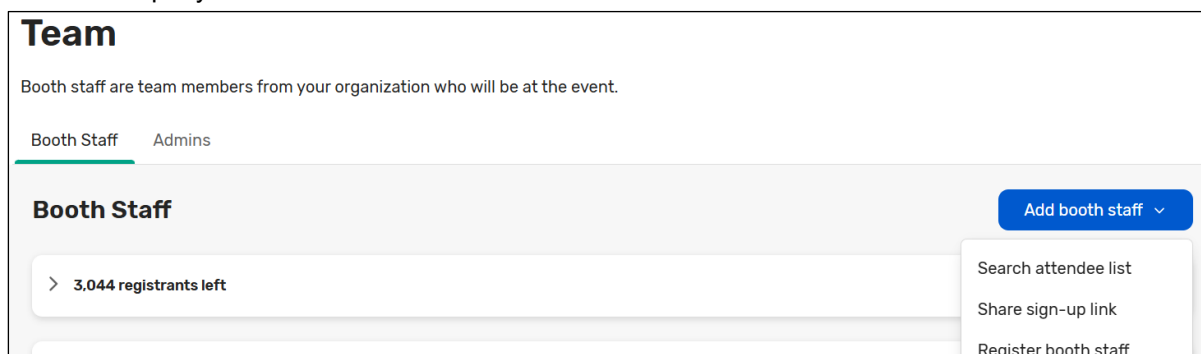

*Please note that being an admin does **not** mean you are registered for the event. Admins who plan to be onsite for the event must also register themselves as 'booth staff' via this portal.*

- 3) Start by completing your company details in the 'Profile' tab, including your logo, company bio, social media handles, etc.
- 4) Add any resources (links, files, etc.) that you would like our delegates to access from your profile on the 'content' tab. Diamond to Bronze tiered sponsors will also be able to upload videos.

Registering your team:

This process involves allocating any **Exhibitor Stand badges** and **Industry Scientific badges** that are included in your package, as well as **purchasing** additional badges of either type, if required. Sponsors who have purchased hospitality suites will also be able to purchase 'industry support staff' badges, for staff who are not company representatives (e.g. AV technicians. Baristas, patient models, etc.).

- 1) Go to the **'Team' > 'Booth staff'** tab to view the number of badges you can assign as *complimentary*. You will also be allowed to *purchase* up to 99 additional badges of each type. If you scroll down, this is where you will eventually see a list of all registrations made in your company name.

- 2) Click **'add booth staff'** and select one of the following two options:

- **'Share sign-up link'** - for your staff to register themselves

Click this option, copy the link and send it to the person you would like to register themselves.

This link will use the complimentary registrations up first, so we highly recommend that you register all staff who need to receive complimentary registration first.

- **'Register booth staff'** - if you want to complete all the registrations yourself as the admin

As administrator of the exhibiting company, you can allocate your complimentary badges one by one or in batches of multiple individual registrations. You can also purchase *additional* ones once you have exhausted your complimentary ones.

*Please ignore the option **'search attendee list'**.*

- 3) Select one of the **badge types** to assign/purchase, we recommend using up your *complimentary* badges first.

Share Sign-Up Link X

Share this link with your booth staff to let them join your team.

Registration type

Exhibitor Stand Badge - Paid - 999 left

Industry Scientific Badge - Complimentary - 16 left

Exhibitor Stand Badge - Complimentary - 16 left

Industry Scientific Badge - Paid - 999 left

Please note, if you are registering multiple people, your browser might remember your previous registrations and display an “***Already registered?***” message prompting you to login to a previous registration; if you are *not* revisiting an existing registration and simply want to register more staff, please try the following fixes:

- a) Copy the URL and open the page in a different/incognito/private browser
 - b) Clear your cookies/cache, then refresh the page
- 4) A new registration form will appear, please complete this with the individual’s details with any add-ons.
- *If you would also like to receive a copy of the email confirmation (also containing the invoice) for that specific registration, enter your **Administrator email address** on each registration.*
 - *If you would like the invoice to be in the name of your company, please select and add **company address details**.*
- 5) After registering one person, you will have the option to ‘**ADD MORE BOOTH STAFF**’ before completing the process, please use this to add more badges in the same ‘batch’ before finalising, if applicable.
- 6) Once your ‘batch’ is complete, pay the outstanding amount using your company card, if applicable. A separate confirmation email will be emailed to the staff member(s) you have registered with you in copy (if you have entered your administration address, see pt. 4 above) and the invoice will also be downloadable from within that email.
- 7) Repeat the process as many times as required to register all your staff ahead of the Congress.

Please contact us at congress@isuog.org if you have any questions.
