Subject: Confirmation of Dubai as Host City – 36th ISUOG World Congress on Ultrasound in Obstetrics and Gynecology

Dear Sir/Madame:

On behalf of the Dubai Business Events (DBE), we are pleased to confirm that Dubai has been selected as the host city for the 36th ISUOG World Congress on Ultrasound in Obstetrics and Gynecology, scheduled to take place 04–09 September 2026 (inclusive of build and breakdown days).

Dubai is delighted to welcome this annual educational medical congress, organised by the International Society of Ultrasound in Obstetrics and Gynecology (ISUOG). The event attracts approximately 2,000–2,500 international delegates, including professionals using ultrasound in obstetrics and gynecology.

This letter is issued upon request of the organizers to confirm Dubai's acceptance to host the 36th ISUOG World Congress on Ultrasound in Obstetrics and Gynecology in September 2026 and may be used for any official administrative purpose they deem necessary.

Warm regards,

Karina Lance
