

ISUOG WORLD CONGRESS 2027

Lisbon, Portugal | 13 – 16 September 2027

SCIENTIFIC PROGRAM OVERVIEW

The **ISUOG World Congress 2027** will take place in-person and virtually in September 2027. Register to attend this 4-day scientific program created by and for global leaders in the profession, gain CME points, engage with industry partners and network with 2,500+ of your peers face-to-face.

Key dates:

- **Early 2027:** Registration opens
- **16 March 2027:** Abstract submission deadline and presenting author registration deadline (must be for *in-person* attendance). We strongly advise presenting authors to use the same email address for abstract submission and Congress registration.
- **June 2027:** Abstract notifications
- **13 July 2027:** Early bird registration deadline
- **13 – 16 September 2027:** Congress

Pre-Congress courses:

The Pre-Congress Courses will be taking place on the 12 September 2027. The Pre-Congress Courses must be booked via the main World Congress registration form, either alone or as an add-on to the main Congress registration. Spaces will be limited so make sure to secure yours early when registration opens.

Please note this is a provisional overview of the scientific program and is subject to change. ISUOG Forum sessions and electronic poster screens will be available in the exhibition hall. ISUOG Forum sessions will not be accredited for CME points.
