ACADEMY**

WELCOME NOTE

ADVANCED WOMEN'S IMAGING: Obstetric and Gynecologic Ultrasound

Dear Colleagues,

We are delighted to welcome you to the **Advanced Women's Imaging: Obstetric and Gynecologic Ultrasound Course, the third ISUOG-advanced approved course**, taking place on **10–11 April 2026** at Le Royal Hotel, Dbayeh.

Held Under the patronage of the Lebanese Order of Physicians and in collaboration with Clinique de Diagnostic Prenatal, Lebanese Society of Perinatology and SciencePro Academy, this intensive two-day program is fully aligned with ISUOG educational standards.

The course provides advanced practical learning experience covering early pregnancy assessment, fetal anatomy, cardiac imaging, Doppler studies, ultrasound and genetics, and gynecologic ultrasound. Participants will benefit from live scanning sessions, hands-on workshops, and interactive discussions led by a distinguished faculty of national and international experts.

Beyond academic excellence, Lebanon offers a unique setting where high-level medical education is enriched by a dynamic cultural and social experience, allowing participants to combine professional development with memorable moments of discovery and enjoyment.

We look forward to welcoming you and offering a comprehensive, hands-on learning experience in state-of-the-art obstetric and gynecologic ultrasound.

Malek Nassar, MD

Course Director

FACULTY

ADVANCED WOMEN'S IMAGING: Obstetric and Gynecologic Ultrasound

COURSE DIRECTOR

Malek Nassar, MD

Consultant Fetal Medicine

Hôtel-Dieu de France Hospital, Beirut and Clemenceau Medical Center, Beirut

Director Clinique de Diagnostic Prenatal

SPEAKERS

▪ **Reem S. Abu-Rustum, MD**

Professor of Obstetrics & Gynecology, University of Florida College of Medicine

President, International Society of Ultrasound in Obstetrics and Gynecology (ISUOG)

▪ **Laurent J. Salomon, MD, PhD**

Professor of Obstetrics and Gynecology, Hôpital Necker-Enfants Malades

Former President, International Society of Ultrasound in Obstetrics and Gynecology (ISUOG)

▪ **Assaad Kesrouani, MD**

Professor of Obstetrics and Gynecology, Saint Joseph University, Beirut

President, Lebanese Society of Perinatology

▪ **André Megarbane, MD, PhD**

Chair, Department of Human Genetics

Lebanese American University (LAU)

▪ **Edwin Quarello, MD**

Head of Obstetrics and Gynecology, Saint Joseph Hospital, Marseille, France

▪ **Joseph Yazbek, MD**

Consultant Gynecologic Oncologic Surgeon

Imperial College Healthcare NHS Trust, London, United Kingdom

▪ **Hady El Hachem, MD, MSc**

Assistant Professor,

Lebanese American University and Saint Joseph Fertility Center

▪ **Linda Daou, MD**

Head of Fetal Cardiology Department, Hôtel-Dieu de France Hospital, Beirut

▪ **Nabil Helou, MD**

Head of Radiology Department, Abou Jaoude Hospital

▪ **Boutros Maroun, MD, PhD**

Senior Medical Affairs Manager EMEALA, Illumina

PROGRAM

FRIDAY 10 APRIL 2026

ADVANCED WOMEN'S IMAGING:
Obstetric and Gynecologic Ultrasound

Time	Topic
08:45 - 09:00	Welcome and Introduction
09:00 - 11:00	Session I: First Trimester
09:00 - 09:30	Pregnancy of Unknown Location Hady El Hachem, MD
09:30 - 10:00	How to Perform a First Trimester Scan: ISUOG Recommendations Laurent J. Salomon, MD, PhD
10:00 - 10:30	First Trimester Cardiac Scan: Optimizing The Image and Screening in the Low Risk Population Edwin Quarello, MD
10:30 - 11:00	The CNS in the First Trimester: What Can we See? Reem S. Abu-Rustum, MD
11:00 - 11:30	Coffee Break & Exhibition
11:30 - 12:00	Live Scan: First Trimester Malek Nassar, MD
12:00 - 12:10	ISUOG Presentation Reem S. Abu-Rustum, MD
12:10 - 13:30	Session II: Second Trimester Part 1
12:10 - 12:30	The Second Trimester Scan: ISUOG Recommendations Malek Nassar, MD
12:30 - 13:00	Evaluating the Fetal Brain: Axial Planes Reem S. Abu-Rustum, MD
13:00 - 13:30	Corpus Callosum: Delphi Consensus Laurent J. Salomon, MD, PhD
13:30 - 14:30	Lunch Break

PROGRAM

FRIDAY 10 APRIL 2026

ADVANCED WOMEN’S IMAGING: Obstetric and Gynecologic Ultrasound

Time

Topic

14:30 - 16:00 Session III: Second Trimester Part 2

14:30 - 15:00 Live Scan: Second Trimester
Reem S. Abu-Rustum, MD

15:00 - 15:30 The Fetal Abdomen: Normal and Abnormal
Nabil Helou, MD

15:30 - 16:00 How to Evaluate the Fetal Face
Assaad Kesrouani, MD

16:00 - 16:30 Coffee Break & Exhibition

16:30 - 18:00 Session IV: Hot Topics in Obstetrics

16:30 - 17:00 Ultrasound and MRI in The Evaluation of the Placenta
Laurent J. Salomon, MD, PhD

17:00 - 17:30 Controversies in Twin Gestation
Malek Nassar, MD

17:30 - 18:00 Third Trimester Guidelines: Fetal Growth and Role of Doppler
Laurent J. Salomon, MD, PhD

18:00 - 18:30 Screening for Preeclampsia in the Third Trimester
Assaad Kesrouani, MD

18:30 - 19:30 Welcome Reception

PROGRAM

SATURDAY 11 APRIL 2026

ADVANCED WOMEN’S IMAGING:
Obstetric and Gynecologic Ultrasound

Time

Topic

09:00 – 11:00 Session I: The Fetal Heart

09:00 – 09:30 Tips and Tricks for the Four – Chamber View
Edwin Quarello, MD

09:30 – 10:00 Outflow Tracts and Three – Vessel Trachea View
Linda Daou, MD

10:00 – 10:30 A Practical Approach to the Venous System
Reem S. Abu-Rustum, MD

10:30 – 11:00 Cardiac Abnormalities Not to be Missed
Linda Daou, MD

11:00 – 11:30 Coffee Break & Exhibition

11:30 – 12:00 Live Scan: The Fetal Heart + Role of AI
Edwin Quarello, MD

12:00 – 13:30 Session II: Ultrasound Meets Genetics

12:00 – 12:30 Genetics: What the Obstetrician Needs to Know
Andre Megarbane, MD, PhD

12:30 – 13:00 Clinical Utility of cf DNA-Based Prenatal Testing (NIPT)
in Prenatal Care
Boutros Maroun, MD, PhD

13:00-14:30 Sponsord Lunch Break
Lecture on Non Invasive Prenatal Testing (30min)
Invited Speaker

PROGRAM

SATURDAY 11 APRIL 2026

ADVANCED WOMEN’S IMAGING:
Obstetric and Gynecologic Ultrasound

Time

Topic

14:30 – 16:00	Session III: Ultrasound in Gynecology
14:30 – 15:00	Introduction to Gynecological Ultrasound Assessment of Ovarian Masses Joseph Yazbek, MD
15:00 – 15:30	Ultrasound in Infertility Workup Hady El Hachem, MD
15:30 – 16:00	Ultrasound in Abnormal Uterine Bleeding Joseph Yazbek, MD
16:00 – 16:30	The Role of Ultrasound in Acute Pelvic Pain Nabil Helou, MD
16:30 – 18:30	Hands on Workshop Meet the Experts
19:00	Closure and Certificate of Attendance

REGISTRATION FEES

ADVANCED WOMEN'S IMAGING: Obstetric and Gynecologic Ultrasound

Course on April 10 and 11	Early Bird (Till March 10)	Late Registration & Onsite
• Lebanese and International Physicians	\$150	\$200
• Residents, Interns, Students & Midwives	\$75	\$100

Workshop Second Trimester and Cardiac Scan Hands on and Meet the Expert (<i>registration required-limited places</i>)	\$50
---	-------------

By registering and attending this ISUOG-Approved course, all delegates who are not currently ISUOG members will receive a **complimentary 12-month ISUOG Basic Membership** at no additional cost.

This membership provides access to a wealth of high-quality educational resources designed to support your ongoing professional development, including access to online lectures and selected courses via the ISUOG Academy, VISUOG – a visual encyclopedia for ultrasound in obstetrics and gynecology, fetal biometry tools, and more. Members also benefit from reduced fees to future ISUOG educational activities such as intensive courses, international symposia, and the ISUOG World Congress, as well as regular newsletters to keep you informed of the latest advancements in the field.

PAYMENT METHODS:

1. Whish Money Payment

- a. Recipient Name: **Science Pro**
- b. Phone Number: **+961 71 208 822**
- c. After completing the transfer, it is mandatory to send a copy of the payment receipt via **WhatsApp** to **+961 81 287 999** or by email to **vanessa.seklawy@sciencepro.me**, clearly mentioning the event name: **Advanced Women's Imaging: Obstetric and Gynecologic Ultrasound**
- d. Please ensure the transferred amount includes the **1%** transfer fee and that the payment is made as a **"transfer to the account"** (not as a "money transfer").

2. Cash Payment

Payments can be made in person at:
Science Pro Offices – Jal El Dib Highway, Yachoui Center, 7th Floor.
