INDUSTRY PROSPECTUS: SPONSORSHIP AND EXHIBITION

Connect with us

WELCOME

Dear industry partners,

I am excited to welcome you to participate in **ISUOG's 34th World Congress in Budapest, 15-18 September 2024**. In 2023 we had our first fully in-person Congress since 2019, and we were delighted to welcome so many familiar faces and new faces to **Seoul**, South Korea. We were hopeful that hosting our Congress in Asia for the first time since 2018 would bring a large, diverse attendance and a new energy to the event, and our attendance figures and feedback indicate it did. In 2024 we are thrilled to host our Congress in Budapest, Hungary. We look forward to offering you, our **industry partners**, the opportunity to network with delegates from around the world in this central Europe hub.

The ISUOG World Congress is the **leading international event in ultrasound in obstetrics and gynecology** and ISUOG's flagship event. The scientific program and pre-Congress courses are at the core of the Congress. This includes **plenary lectures** from leading experts in their field, cutting edge **scientific sessions** relevant to all the corners of the globe, and **poster sessions** that will feature the research of early-career gynecologists and obstetricians of the future. We expect to welcome **2,500** attendees to Budapest and are working closely with the **Hungarian Society of Obstetricians and Gynecologists** and the **Hungarian Society of Ultrasound in Obstetrics and Gynecology** to maximize the presence of local and regional expertise, leadership and attendance at the event. This Congress will be a valuable forum for exchange of clinical experience, of personal trajectories, of science and to mentor and nurture the **next generation of ultrasound professionals**. Your participation plays a key role in the quality and success of the ISUOG World Congress, do not miss this **exclusive opportunity** for industry partners to come together and meet with clinical experts from all over the world.

We encourage you to [contact us](#) to discuss your sponsorship of ISUOG and we are open to your ideas on how ISUOG can assist you in achieving a successful outcome. We will work with you to meet your organisational goals, whether it's your first time exhibiting or you are one of our loyal industry partners.

Best wishes,

Johan Vos, ISUOG CEO

Sponsored symposia: Non exclusive: £14,000, Exclusive: £20,000

Our hugely popular one hour symposia slots are one of the most visible sponsorship opportunities available. This limited, exclusive opportunity will allow you to share your latest technology and research and provide you with increased recognition amongst delegates.

Entitlements

- Use of a session hall (hall determined by ISUOG) with standard AV equipment (what ISUOG has in place for its program) for 1 hour
- Opportunity to place branded pop-up banner immediately outside the room from half an hour prior to your symposium commencing
- Symposium listing in mini printed program and digital/web program (industry section)
- Symposium notification/reminder on App (industry section)
- Symposium reminder on daily e-newsletter on day of symposium
- Opportunity to provide catering and/or additional AV at extra cost, subject to venue approval, timings that ensure no disruption to main scientific sessions and availability
- Permission to use delegate mailing list one time for promoting this
- Recording of symposium and availability on ISUOG's on-demand portal for 12 months from £3,300

Priority allocation of symposia will be given based on level of sponsorship and first-paid, first served basis. Symposia are organised during lunch breaks or before/after the scientific program, at times which do not conflict with ISUOG's main scientific program, however we cannot guarantee that other activities will not be running concurrently. Symposia do not form part of the CME-accredited program. Symposia speakers and programs must be approved by the ISUOG Scientific Committee. Sponsoring companies are responsible for arranging the speakers and program and covering their requirements/expenses. Sponsors will need to cover the cost of any extra/special room set up they require, and this will be subject to ISUOG's AV team's approval and subject to ISUOG's AV team's schedule.

ADDITIONAL SPONSORSHIP OPPORTUNITIES

EDUCATE

Product Theatre: Price upon request

Meet with attendees and key decision makers to share your new research outcomes, discuss your clinical protocols, and conduct product demonstrations of your new products and services.

Product Theatre sessions are 20 minutes in length and will be held in a designated area in the exhibition hall with a 'silent disco' style set up.

Product Theatre sessions provide a high value educational opportunity for hosts to reach engaged healthcare professionals. These sessions deliver a platform to gather and discuss issues on patient education, specific products and therapeutic areas.

Located in the Exhibition hall, the Product Theatre provides an opportunity to:

- Highlight and demonstrate new and existing products
- Provide up-to-date research findings
- Give product details in-depth

Entitlements

- Use of the relevant silent disco style space for session duration
- Opportunity to place branded pop-up banner in space during session duration
- Listing in mini printed program (industry section)
- Listing on digital/web program (industry section)

This prospectus is a guide to the items we offer, but please let us know if you have suggestions on how we can best support your meeting goals if you have other ideas or requests.

Pre-Congress course: £14,000

By supporting a course topic relevant to your company, you can exclusively network with interested delegates. The Pre-Congress course programs are decided by the ISUOG Scientific Committee who consult with a wide range of stakeholders to ensure a high quality and relevant program is presented.

Entitlements

- Sole sponsorship allocated on a first come, first served basis
- Optional table-top space for informational materials
- Acknowledgement by the course chair(s)
- Logo and acknowledgement on ISUOG website
- Logo and acknowledgement in mini printed program booklet
- Logo and acknowledgement on Congress app
- Sponsor can access the session on the day if space is available, with ISUOG pre-approval

To note: as this course may be EACCME accredited, entitlements may be subject to adjustments as required in line with these regulations.

ADDITIONAL SPONSORSHIP OPPORTUNITIES

Once you have selected your sponsorship package, you may be interested in the following additional opportunities. This prospectus is a guide to the items we offer, but please let us know if you have suggestions on how we can best support your meeting goals if you have other ideas or requests. All costs exclude VAT. Super early and early bird discounts available.

EDUCATE

Scan demonstration: £9,000

Scan demonstrations are one of the most popular presentation types amongst delegates in the scientific program, and attract large audiences. The scans take place in the main scientific sessions and typically examine a particular technique or technology. As these sessions are in high demand, priority allocation will be given to top-level sponsors and on a first-paid, first-served basis.

Entitlements

- Use of manufacturer's equipment for scan demonstration
- Acknowledgment by the session chairs
- Scan listing in mini printed program (industry section)
- Acknowledgement on ISUOG website
- Scan reminder/notification on App
- Scan listing on daily e-newsletter on day of scan

Participating companies must email topic and speaker preferences to ISUOG at the time of booking (by 31 January 2024, whichever is earliest) to maximise effective matching of our program options. We always work to ensure optimal matches for scan demonstrations but reserve the right to make alterations to the scan demonstrations topics/faculty as required by the Scientific Committee for the most effective delivery of the scientific program. We endeavour to secure one model and one back-up model per scan, but cannot guarantee this. Companies are responsible for ensuring equipment is available prior to the session and removed promptly thereafter according to ISUOG's AV team's schedule.

**Obstetric and gynecological scanning is strictly prohibited on exhibition stands*

ADDITIONAL SPONSORSHIP OPPORTUNITIES

NETWORK

Hospitality suite: £10,500 per day (3 days minimum)

This is the perfect way for companies to demonstrate their equipment and technical developments to delegate groups and/or host clients in privately hired rooms. Advertised activities may only take place during the official scheduled scientific program break times, although sponsors may host individuals and small groups of clients throughout the day by personal invitation. ISUOG must be fully informed of planned activities for these areas in advance.

Entitlements

- *Use of room*
- *Branding within room, option to place one branded pop-up banner immediately outside the room*
- *Hospitality suite name/location listing on Congress floorplan*
- *Hospitality suite program listing in mini printed program (industry section) and on digital/web program (industry section) – if pre-approved, for sessions taking place during scientific program breaks only*

Sponsors will be responsible for any technical and audio visual set-up, electrical, furnishing, catering and other costs. Sponsors conducting scan demonstrations in hospitality suites are responsible for all necessary arrangements including sourcing equipment, models and the necessary model permissions/consent.

Meeting rooms: £2,600 per day

Meeting rooms are a great way to ensure you are able to maximise your networking on site with exclusive and by-invitation meetings.

Entitlements

- *Use of room*
- *Branding within room, option to place one branded pop-up banner immediately outside the room*
- *Meeting room name/location listing on Congress floorplan*
- *Please note meeting room activities are not promoted by ISUOG in any other Congress materials except the floorplan. If promoting your meeting/other activities is important, you will need to upgrade to a hospitality suite.*

Sponsors hiring hospitality suites or meeting rooms will be informed of access timings and other processes via the technical manual. Room rates are quoted per day for the hours of the scientific program (08:30-17:30) and any set-up days or additional hours will be subject to availability and additional rental costs.

ADDITIONAL SPONSORSHIP OPPORTUNITIES

NETWORK - Social program

Welcome reception: £8,500

BOOKING INFORMATION

Notes, terms and conditions

IMPORTANT - ISUOG takes a great deal of time to prepare this information for its industry partners and we respectfully request that you take the time to read through this information carefully to understand the opportunities available for your organisation.

IMPORTANT - Please ensure you have read the full [Terms and Conditions](#) for the full terms of the agreement, including the cancellation policy.

ISUOG approval - Any educational activities undertaken by sponsors at the Congress, including symposia and hospitality suite sessions, are subject to advance approval by ISUOG and its Scientific Committee. Participating companies will be informed of deadlines/processes for this via the technical manual.

CME regulations - Commercial support of educational activities must occur within the relevant CME standards governing such activities. ISUOG has to its best ability accounted for any known restrictions within the activities listed here. However, sponsoring companies are informed that entitlements are subject to adjustments as required in line with these regulations. ISUOG will inform sponsoring companies promptly of any such changes.

Multiple requests - In the event that multiple requests for sponsorship and exhibition items are received, ISUOG will prioritise requests by sponsorship level, the date when booking/payment is confirmed and loyalty (previous Congress participation).

Scanning - Obstetric and gynecological scanning is strictly not permitted on the exhibition stands and if sponsors are conducting scans in hospitality suites, sponsors are responsible for obtaining all necessary equipment, models and permissions.

Room hire and access - Sponsors hiring hospitality suites or meeting rooms will be informed of access timings and other processes via the technical manual. Room rates are quoted per day for the hours of the scientific program and any set-up days or additional hours will be subject to availability and additional rental costs.
