

Hot topics in Fetal Growth Restriction

Chaired by Fabricio da Silva Costa and Conrado Milani Coutinho

SAMSUNG

Webinar series

Tuesday 18th July

Learning Objectives:

1. Hear about novel concepts on reference charts and fetal growth standards
2. Hear more about the controversies involving the performance of growth charts.
3. Learn how management of early-onset fetal growth restriction is conducted in Asia.
4. Improve your knowledge on the management of late-onset fetal growth restriction from the perspective of the TRUFFLE 2 team.
