

ISUOG 2021 Webinar Series

| | |
|---|---|
| Webinar 2 | COVID-19 One year on |
| Date | Sunday 28th February 2021 |
| Objective | To establish how our therapeutic knowledge of treating COVID 19 has developed in the past year. To provide information about vaccination in pregnancy and wider issues relating to global vaccination policy. To learn the lessons of the large population based studies on COVID in pregnancy. |
| Moderators | Prof. Tom Bourne (Imperial College London) Prof. Christoph Lees (Imperial College London) Prof. Liona Poon (Chinese University of Hong Kong) |
| Programme/talk title | Speaker, country |
| Welcome and introduction | Professor Tom Bourne (UK) |
