## ISUOG Education Courses: Fetal anomalies

3-5 May 2019, Athens, Greece

### Welcome

We are delighted you will be attending **ISUOG's Education Course: Fetal anomalies**. The course will take place in Athens, Greece on 3-5 May 2019. The following information has been prepared to assist you with your arrival in Athens and to facilitate your attendance at the course and your stay in the city.

### Venue

The venue for the course is the **Royal Olympic Hotel** located at Athanasiou Diakou 28, Athens, Greece 117 43.

### Getting to the venue

Travel from Athens Eleftherios Venizelos International Airport takes approximately 1h 10 minutes via public transport or 45 minutes by taxi.

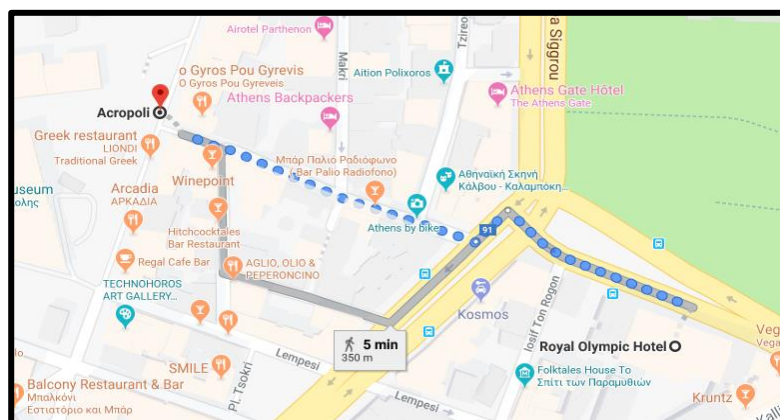

### Travelling by Metro

From Athens Eleftherios Venizelos International Airport, you can take the Athens Metro. The closest metro station to the Royal Olympic Hotel is Acropolis (Red Line/Line 2). From Airport's Metro Station (Blue Line/ Line 3), we suggest you take a train to reach Syntagma Station that serves as a transfer point to the Blue Line (Line 3) with the Red Line (Line 2). Then change the line in the direction to Elliniko, and get off at Acropolis station (the next one). It is a 100-meter walk along Ath. Diakou Street from Acropolis to the Royal Olympic Hotel. Tickets can be purchased when you arrive in the airport. To plan your journey, find out about available options, and look up the prices, please visit <https://www.athenstransport.com/english/tickets/>.

### Travelling by Taxi

You can get a taxi from Athens Eleftherios Venizelos International Airport to the Royal Olympic Hotel. This travel should take approximately 40-45 minutes. The cost of taxi journey is about €60.

### Walking instructions

**Acropolis Station  
to Royal Olympic Hotel – 5 min**

### Certificates of attendance

Delegates will need to fill in an online evaluation form to receive a Certificate of Attendance. Once this survey has been completed you will be redirected to our website where you can download and print off your Certificate. You will be emailed the link to the evaluation form shortly after the course.

### CME

This course has been awarded 15 European CME credits (ECMEC) by the European Accreditation Council for Continuing Medical Education.

### Supplement your Learning

Our education team has prepared a selection of ISUOG's online learning and research content related to the Fetal anomalies course to enhance the educational course. Please visit <https://www.isuog.org/education/supplement-your-learning/fetal-anomalies-2019-supplement-your-learning.html> to access these materials.
