

# 30<sup>th</sup> World Congress on Ultrasound in Obstetrics and Gynecology

17-21 October 2020, Glasgow, UK

*Celebrating 30 years*

**Submit an abstract and register now**

## Congress Location

Scottish Event Campus (SEC), Glasgow

## Congress Chairs

Alan Cameron, *UK*  
Stuart Campbell, *UK*

## ISUOG President

Caterina Billardo, *Netherlands*

## Honorary Secretary

Boris Tutschek, *Switzerland*

## Scientific Committee

Laurent Salomon (Chair), *France*  
Nick Raine-Fenning, (Vice-Chair), *UK*  
Alan Cameron, *UK*  
Stuart Campbell, *UK*  
George Condous, *Australia*  
Fabricio da Silva Costa, *Brazil*  
Helen Feltovitch, *USA*  
Christoph Lees, *UK*  
Aris Papageorghiou, *UK*  
Magdalena Sanz-Cortes, *USA*  
Srdjan Saso, *UK*  
Thierry Van den Bosch, *Belgium*

## ISUOG Secretariat

Wendy Holloway, *Director of Operations*  
Gabrielle Mouterde, *Events Manager*  
Zarqa Ali, *Events Coordinator*

**Organised by the International  
Society of Ultrasound in  
Obstetrics and Gynecology**

## Welcome to Glasgow

It is our pleasure to invite you to submit your research to the 30<sup>th</sup> ISUOG World Congress. We have chosen to celebrate our 30<sup>th</sup> anniversary in the birthplace of clinical ultrasound, Glasgow. As it is the location where Ian Donald and Tom Brown led their pioneering work on ultrasound, it gives us a chance to reflect on past innovations but also look to the future.

The ISUOG World Congress is highly valued for the opportunities it creates for clinicians worldwide to present their research and findings. This includes speaking to a room of more than 2000 attendees, creating interactive electronic posters, engaging in discussions in the Hubs as well as sharing ideas with colleagues during the many networking opportunities.

The city is the perfect location to host our flagship event. It's compact and friendly with a rich cultural history and easy access to the famous Scottish highlands.

We look forward to welcoming you to Glasgow!

**Alan Cameron**  
Congress Chair

**Stuart Campbell**  
Congress Chair

## Critical dates 2020

<b>January</b>	Registration and abstract submission opens
<b>1 April</b>	Abstract submission and presenter registration deadline
<b>July</b>	Abstract acceptance notification
<b>17 August</b>	Early bird registration deadline
<b>17 October</b>	Pre-Congress courses and Basic Training course
<b>18 October</b>	Main Congress program starts

## Provisional program at a glance\*

### Saturday - 17 October

Pre-Congress courses

- Basic Training
- How ultrasound helps me on the labour ward
- Pregnancy of uncertain viability and unknown location

### Sunday - 18 October

Keynote lectures

ISUOG achievements 2019 & AGM

Coffee & electronic poster viewing

Award lecture & top abstracts

Lunch & satellite symposia

Workshops

Coffee & electronic poster viewing

Awards & plenaries

**Opening ceremony & Welcome drinks**

### Monday - 19 October

Masterclasses

cfDNA	Vermis and fourth ventricle	Ovarian masses	Ultrasound in labour ward
Pre-eclampsia	Fetal anomalies		

Coffee & electronic poster viewing

New genetic technologies	Ventriculomegaly	Abnormal bleeding	Pregnancy complications
AI in ultrasound	Fetal renal abnormalities	Uterine scars and pregnancy	

Lunch, electronic poster viewing & satellite symposia

MRI and novel imaging	Corticle migration and gyration anomalies	Oncology	Discrepancies in twins
-----------------------	---	----------	------------------------

Coffee & electronic poster viewing

Workshops followed by a debate

Highlights of the day

### Tuesday - 20 October

Masterclasses

Midline CNS abnormalities	Fetal growth	Early pregnancy	Cardiac function
Neuroimaging	1 <sup>st</sup> trimester scan	Caesarean section scars	Fetal heart

Coffee & electronic poster viewing

Fetal surgery	Growth assessment	Pelvic pain	Congenital heart defects
High order multiple pregnancy	Fetal infections	Reproductive medicine	Early screening for cardiac heart defects

Lunch, electronic poster viewing & satellite symposia

Monochorionic twins	Fetal anomalies: mid trimester	Fertility preservation	Vascular imaging and Doppler
---------------------	--------------------------------	------------------------	------------------------------

Coffee & electronic poster viewing

Workshops followed by a debate

Highlights of the day

**Congress party**

### Wednesday - 21 October

Masterclasses

FGR & growth charts	Urinary incontinence	Maternal hemodynamics
FGR & fetal compromise	Myometrial pathology	Open & fetoscopic surgery

Coffee & electronic poster viewing

Placenta & vasa previa	Obstetric complications in IVF	Fetal anomalies: lungs
------------------------	--------------------------------	------------------------

Lunch, electronic poster viewing & satellite symposia

Workshops

Closing plenary: The power of ultrasound

**Leaving drinks & Welcome to Seoul 2021!**

\*This program is subject to change

## Topics for abstract submission

### Obstetrics

- Screening for pregnancy complications (stillbirth, preterm birth, pre-eclampsia)
- Screening of chromosomal anomalies (incl. cell-free DNA and genomics)
- Fetal brain and CNS anomalies
- Fetal heart, CHD and cardiac functions
- Fetal disease and structural abnormalities
- Fetal growth: normal and abnormal
- Multiple pregnancy
- Placental anomalies including spectrum of placenta accreta disorders
- Ultrasound in the labour ward
- Fetal interventions
- Safety, education, simulation and other innovations

### Gynecology

- Early pregnancy complications
- Early pregnancy development and placentation
- Managing ovarian masses
- Pelvic pain and endometriosis
- Reproductive medicine
- Bleeding, endometrial and myometrial pathology
- Imaging in oncology
- Ultrasound and fertility preservation
- Urogynecology

## Why submit an abstract for ISUOG 2020?

*"Excellent conference – well balanced mix of clinical demonstrations and expert lectures which included both scientific and clinical updates."*

*"A relevant, motivating and educational event. Highly recommended."*

*"It is an amazing opportunity to learn about everyone's research and to network in a very respectful environment. Love this conference and love ISUOG's mission!"*

*"It is a very well organised Congress: good speakers, good presentations, a good mixture of topics and friendly attendees."*

**98%**

of survey respondents  
would recommend  
ISUOG's Congress

## Essential information

- Abstracts must be submitted online. Please follow the instructions at: <https://www.isuog.org/events/world-congress/call-for-papers.html>
- Your abstract email confirmation, which you will receive after submission, will contain your Congress registration discount code.
- The official language of the Congress is English.
- If you do not want to present your abstract orally, please select this option during submission.
- Accepted abstracts will be published in a supplement to *Ultrasound in Obstetrics & Gynecology* (UOG). By submitting your abstract, you agree to transfer the copyright to ISUOG should your abstract be accepted.
- All presentations will be recorded and may be selected for inclusion on the On Demand portal. Recordings will run online but will not be downloadable.

For more regular updates on the scientific program, invited faculty and CME accreditation please visit the Congress website [www.isuog.org/WorldCongress](http://www.isuog.org/WorldCongress)

## Session types explained

Accepted abstracts may be presented in the following ways:

### Oral communication (OC)

Presented within the main sessions, OC abstract authors are allocated 5 minutes for their presentation (of no more than 5 slides), plus 3 minutes for discussion.

### Short oral presentation (OP)

OP abstract authors are allocated 2 minutes to orally present their poster (1 slide only), plus 2 minutes for discussion.

### Poster discussion (P)

Poster discussions take place in the Hubs. These are intimate, flexible and friendly spaces designated to offer the author the opportunity to meet delegates interested in their research, discuss any comments and answer questions on their work.

### Electronic poster (EP)

Abstracts accepted as view-only posters are available for viewing throughout the Congress on the On Demand stations located at the ISUOG lounge and E-poster terminals.

*All OC, OP, P & EP presentations are published in the abstract book and online.*

Register online at:  
[www.isuog.org/WorldCongress](http://www.isuog.org/WorldCongress)

### Submit an abstract and enjoy an £85 discount to your registration fee

Additional discounts are offered to:

- ISUOG members
- Trainees and sonographers
- Early registrants
- Low-resourced countries
- Specified partnership organisations

All full registrations include ISUOG membership.

Find out more about membership at: [www.isuog.org/membership](http://www.isuog.org/membership)

## Apply for a 2020 Congress Travel Grant

Supporting education and research in low-resourced countries, ISUOG offers up to six grants to cover travel, accommodation and registration for the Congress. Applicants must meet the eligibility criteria and select to be considered for the grant when submitting their abstract. Full terms, conditions and application criteria are available online at: <https://www.isuog.org/events/world-congress/travel-grants.html>

### Disclaimer

All best endeavours will be made to present all information as printed. However, the 30<sup>th</sup> World Congress on Ultrasound in Obstetrics and Gynecology and its agents reserve the right to alter or cancel without prior notice any of the arrangements, timetables, plans or other items related directly or indirectly to the Congress, for any cause beyond its reasonable control. The Congress and its agents are not liable for any loss or inconvenience caused as a result of such alterations.
