24 July 2020

Doppler and maternal vascular imaging

London, UK (GMT)

Friday 24 <sup>th</sup> July		
	Section 1	
08:30–09:00	Introduction	C.Lees/A.Khalil
09:00–09:30	The Fetal circulation simplified	C. Brezinka
09:30–10:00	Doppler Safety: should we be concerned?	C. Brezinka
10:00–10:30	Is uterine artery Doppler better for predicting FGR or PET?	A. Khalil
	Section 2	
10:45–11:15	Can Doppler improve first trimester diagnosis of chromosomal anomalies, CHD and prediction of PE?	K. Bilardo
11:15–11:45	Should we direct therapy in preeclampsia and FGR using maternal CV parameters?	H. Valensise
11:45–12:15	Early or late FGR & PE & cardiovascular function: the truth and the myth	C. Lees
12:15-12:35	Moderated Q&A	All
	Section 3	
13:20–14:00	Debate: CPR or UCR? (15 minutes x2) Followed by Q&A	E. Kalafat T. Stampalija
13:20–14:00 14:00–14:30		
	Followed by Q&A	T. Stampalija
14:00–14:30	Followed by Q&A Doppler investigation of preterm IUGR and timing of delivery	T. Stampalija C. Lees
14:00–14:30	Followed by Q&A Doppler investigation of preterm IUGR and timing of delivery Is Doppler investigation useful in term FGR?	T. Stampalija C. Lees
14:00–14:30 14:30-15:00	Followed by Q&A   Doppler investigation of preterm IUGR and timing of delivery   Is Doppler investigation useful in term FGR?   Section 4	T. Stampalija C. Lees A. Khalil
14:00–14:30 14:30-15:00 15:15-15:45	Followed by Q&A   Doppler investigation of preterm IUGR and timing of delivery   Is Doppler investigation useful in term FGR?   Section 4   Selective IUGR in MCDA twins & timing delivery	T. Stampalija C. Lees A. Khalil A. Khalil
14:00–14:30 14:30-15:00 15:15-15:45 15:45–16:15	Followed by Q&A   Doppler investigation of preterm IUGR and timing of delivery   Is Doppler investigation useful in term FGR?   Section 4   Selective IUGR in MCDA twins & timing delivery   Does Doppler help in staging of TTTS and TAPS?	T. Stampalija C. Lees A. Khalil A. Khalil A. Khalil
14:00–14:30 14:30-15:00 15:15-15:45 15:45–16:15	Followed by Q&A   Doppler investigation of preterm IUGR and timing of delivery   Is Doppler investigation useful in term FGR?   Section 4   Selective IUGR in MCDA twins & timing delivery   Does Doppler help in staging of TTTS and TAPS?   Emerging Doppler technologies	T. Stampalija C. Lees A. Khalil A. Khalil A. Khalil
14:00–14:30 14:30-15:00 15:15-15:45 15:45–16:15 16:15–16:30	Followed by Q&A Doppler investigation of preterm IUGR and timing of delivery Is Doppler investigation useful in term FGR? Section 4 Selective IUGR in MCDA twins & timing delivery Does Doppler help in staging of TTTS and TAPS? Emerging Doppler technologies Section 5	T. Stampalija C. Lees A. Khalil A. Khalil A. Khalil C. Shaw
