ISUOG needs you: a message from ISUOG President Dr Caterina Bilardo

Dr Caterina Bilardo delivered this message at the 28th World Congress on Ultrasound in Obstetrics and Gynecology in Singapore during the ISUOG Presidency handover. "We need you and we need you not only as attendee of this congress but also as an author, reviewer, teacher, initiator of new ideas, as provider of images or video clips that we will use to enrich our enormous educational materials. So, please get close to us and we will get close to you." You can get started by [joining us](#), [supporting the UOG Journal](#) with Journal membership, [donating to outreach](#) or [writing a VISUOG chapter!](#)

New Basic Training film: 'The Basic Steps of an Obstetric Ultrasound'

[ISUOG Basic Training](#) is proud to present 'The Basic Steps of an Obstetric Ultrasound', which shows simple consecutive steps on how to efficiently perform an obstetric ultrasound examination in the 2nd and 3rd trimester of pregnancy. This is Basic Training's second educational film, and follows the success of ['The principles of ultrasound'](#). Our online Basic Training module covers all the essential topics in obstetric and gynecological ultrasound in 32 free-access lectures - [start watching now](#).

Testimonial from Dr. Noura Mohammed Abu Elgasim Alfaki Sudan Outreach Trainee

This month [ISUOG Outreach](#) returned to Sudan to complete the final trip of Phase I. The program selected 7 trainers who will now go onto train other practitioners across Sudan. One of the selected trainers, Dr Noura, was passionate to begin her training, noting: 'I will be very happy to teach others and help them to benefit from me'. Learn more about the trainees [on our blog](#). If you want to support trainees like Noura in developing their skills in Basic OB/GYN Ultrasound, you can do so by volunteering or [donating](#) via the [ISUOG website](#).
