

GUIDELINES FOR ELECTRONIC POSTER (EP)

For detailed presentation guidelines including how to upload your poster, PowerPoint templates, speaker preparation room opening times and guidelines for producing PowerPoint slides at the 2019 Congress in Berlin visit:

<https://www.isuog.org/events/world-congress/program/speaker-information.html>

Deadline date for submission of electronic posters:

Wednesday 18 September 2019

Important for electronic poster creation:

- Posters must be in English.
- Posters are presented online before, during and after the Congress
- Your poster slide should consist of no more than **1 (one)** PowerPoint slide.
- You must include your allocated final electronic poster number (e.g. EP10.05) in the top left corner of your slide; this can be found in your abstract acceptance email. Please ensure that the title and your name are also shown clearly at the top of your slide.
- Slides must be in PowerPoint format (16:9 .ppt/.pptx) only.
- Your PowerPoint slide must be uploaded prior to the Congress (instructions will be sent separately to you by eOrganiser) and you can check if this is available on the On Demand terminals when you arrive onsite at the Congress from Sunday 12 October when the exhibition opens.
- Please remember you must not include patient data in your images or videos. Patient confidentiality is important to us and all presenters are responsible for respecting this within their presentation.
- Read the full poster preparation guidance and download the PowerPoint template, go to:
