

# Bring ISUOG Basic Training to you

Bring Basic Training to your region by hosting one of our courses via a livestream satellite in your own space:

## 1. "The Basic Training full theoretical program on ultrasound in obstetrics and gynecology"

27-30 September 2018  
Chennai, India (UTC +05:30)

## 2. "Basic Training: A practical approach to the ob/gyn ultrasound examination"

Friday 20 October 2018  
Singapore (UTC +08:00)

**Your delegates will be able to view the course in real time and participate in the discussion sessions with our international faculty.**

### What you will need:

ISUOG's goal is for Basic Training to be easily accessible to as many people as possible. As a host, all you need is:

- To be an ISUOG member
- To have the space to host the satellite, a projector and a good internet connection

### What we offer:

ISUOG will provide all attendees with:

- One year's free or highly reduced ISUOG basic membership, giving access to all our online learning resources including hundreds of lectures by international experts
- An ISUOG certificate of attendance

### Cost:

- Completely free with no minimum number of participants for HINARI countries
- Highly reduced for middle-income countries

ISUOG's state of the art Basic Training program provides trainees that are new to ultrasound an introduction to essential topics in obstetrics and gynecology.

**Since the launch of Basic Training in 2015, 2,710 people from 87 countries have become ISUOG members through Basic Training courses.**

**Read testimonials from past livestream attendees:**

*"This training has been of immense value in highlighting high standards of care and the need for improvement in operator knowledge and skills. We look forward to more training from ISUOG. Well done!"*

- Basic Training course host, Nigeria 2017

*"Excellent ultrasound course, and very well organized. The lectures were informative and I learnt so much, thank you!"*

- Basic Training course attendee, Latvia 2017
