

27th World Congress on Ultrasound in Obstetrics and Gynecology

16 – 19 September 2017, Vienna, Austria

ISUOG Congress Travel Grant

Submit your abstract by 31 March 2017

ISUOG is providing up to 6 Travel Grants to deserving abstract submitters from low-resource countries to attend the 27th ISUOG World Congress on Ultrasound in Obstetrics and Gynecology in Vienna. Apply for the travel grant at the same time as you submit your abstract.

Present your research to your peers and network with world renowned experts.

The travel grant covers return airfare up to £800, 4 nights' accommodation and Congress registration. See our [travel grant webpage](#) for a full list of travel grant benefits.

Some eligibility requirements include:

- Hold a postgraduate degree in obstetrics and/or gynecology or is engaged in imaging in obstetrics and gynecology
- Been in practice for three years or more as a specialist or trainee
- Practice in a low-resource country - [click here for a list of eligible countries](#)

"It was an exceptional experience to see the most important ultrasound experts, to discover the most impressive advances in fetal imaging and to be able to enjoy the friendly atmosphere of the Congress. An incredible experience!"

- Dr. Airj Bouzid, Tunisia,
2016 Travel Grant winner
