

28th World Congress on Ultrasound in Obstetrics and Gynecology

20 – 24 October 2018, Singapore

Incorporating ASUM 2018

Countdown to Congress

15 days to go until #ISUOG2018! If you haven't already done so, you can [register now](#). If you're attending the Congress onsite or via live stream, find out everything you need to know in our [joining instructions](#) or in the [final printed program](#). Including information on:

- [The 1st Trimester certificate](#)
- [Mandarin translation](#)
- [Coffee Connect networking](#)
- Getting involved in [VISUOG](#) - ISUOG's visual encyclopaedia
- Earning a maximum of **34 CME points**/ 39 ASUM points

If you haven't booked your accommodation yet ISUOG has negotiated excellent rates at Hotel G - if you wish to book, please follow the instructions on our [website](#).

Can't make it to Singapore?

With our new [live streaming opportunities](#), you don't have to miss out:

- [ISUOG Congress Insight](#) will stream Session Hall 1 on Monday 22 Oct.
- Also available to live stream is the Pre-Congress Course ['From genetics to obstetric management: essential genetics in practice'](#) (in partnership with SMFM).
- The Basic Training Pre-Congress course ['A Practical Approach to the Ob/Gyn Ultrasound Examination'](#) is also available to live stream via [satellites](#).

Recordings will be available for live stream delegates for one month after the course. We hope you enjoy our 2018 World Congress!

Rethink Prenatal Testing. Think NIPT | Gain confidence. Get less false positives

Join us for an Illumina Symposium and Reception.

We will be hosting a cocktail reception, followed by a short discussion, where Professor Chiu, from the Chinese University of Hong Kong will present unusual cell-free DNA (cfDNA) results from her practice - challenging you to find the best care path for your patients.

Speaker: Professor Rossa Chiu | Monday October 22nd | 5:30PM – 7:30PM | [Register here](#)

Meeting like minded people

There will be lots of networking opportunities in Singapore, including our new [Coffee Connect sessions](#) at the ISUOG Lounge.

- Trainees Coffee Connect - Monday 22 October
- Sonographers Coffee Connect - Tuesday 23 October
- Coffee Connect with UOG editors - Wednesday 24 October

A highlight in the social program is our [Congress party](#), taking place on Tuesday 23 October. Book your ticket in advance, and we'll see you at Chinatown Food Street for delicious street food from over 20 different stalls and live demonstrations.

Congress presentations On Demand

Posters for our 28th World Congress on Ultrasound in Obstetrics and Gynecology will shortly be available to view online, and will be free-access until the Congress starts.

With so many sessions to choose from, don't worry if you've missed one! When in Singapore, an On Demand intranet will be made available at the ISUOG lounge in the exhibition to view posters and recorded presentations (for the main scientific program only). Check the On Demand platform for the lectures you missed at the end of each day.

Highlights from #ISUOG2018 will be available exclusively to Congress delegates shortly after the World Congress on the ISUOG website, and will be available to all members in April 2019.

Highlights from the October Issue of the UOG Journal

The [October issue of *Ultrasound in Obstetrics & Gynecology*](#) includes a [Systematic Review](#) on the predictive accuracy of the cerebroplacental ratio for adverse outcome in suspected fetal growth restriction (FGR), a [Systematic Review](#) on the prediction of preterm delivery using biomarker tests, and Original Articles on [percutaneous fetoscopic closure of large open spina bifida](#), [maternal hemodynamics](#), [fetal biometry and Doppler indices in pregnancies with suspected FGR](#), and the [effect of the freeze-all policy on in-vitro fertilization outcome in poor ovarian responders](#).

Also available this month is a free-access [video abstract accompanying the article by Lana et al.](#) on percutaneous fetoscopic closure of large open spina bifida.

Coming soon... An [ISUOG Guideline](#) on the role of ultrasound in screening for and follow-up of pre-eclampsia.

[Join ISUOG](#) as a Journal member for full access to the UOG Journal.

[UOG Highlights](#)

First trimester certificate

We will be running a [certificate program](#) at the World Congress focusing on the First Trimester. ISUOG Ambassador Dr Simon Meagher has put together an [incredible program and set of resources](#) for all those who would like to take part. To successfully complete this course, you'll need to attend five specifically marked scientific sessions, which will be marked in the final printed program, and pass an online test. Full details on this great opportunity are available [here](#). There is no additional charge for the certificate but there are limited spaces - so please visit the [Participation page](#) on the First Trimester website for details on how to enroll.

[More information](#)

Reduced fees are available to members for the following ISUOG events:

[Advanced Fetal Neurosonography: when do I need to refer for fetal MRI?](#)
07-08 December 2018, London, UK and live streamed globally

[Multiple pregnancy](#)
9-10 February 2019, London, UK and live streamed globally.
[Register your interest](#) for this course.

[15th ISUOG International Symposium](#)
12-14 April 2019 in São Paulo, Brazil

[29th World Congress on Ultrasound in Obstetrics and Gynecology](#)
13-16 October 2019 in Berlin, Germany

Supplement your learning

Get the most out of #ISUOG2018 with our ["Supplement your learning"](#) page for the World Congress!

On this page, you'll find specially chosen talks, UOG articles and CME activities on this year's featured topics, such as:

- Screening for genetic diseases
- Placenta disorders: from pre-eclampsia to fetal growth abnormalities
- Preterm labour: to predict and prevent
- Early pregnancy problems including diagnosis and management of Cesarean scar pregnancies

#UOGIMPACTFACTOR Photo Challenge

Celebrating the success of ISUOG's UOG Journal reaching a record breaking 5.65 Impact Factor, over 2.5 million article downloads and becoming the 3rd journal in OBGYN, we will be running a competition for you to make your own impact with the Journal. Using a prop "front cover" of the UOG in your delegate bag, will be asking attendees to take a selfie in a creative or adventurous location around Singapore. The winning photographer will receive a free upgrade to the Journal. If you can't wait until then, [become a Journal member](#) for full access to the UOG Journal now!
