About the course

Back by popular demand following our successful 2017 event, the Multiple Pregnancy education course is dedicated to reviewing the use of ultrasound in the management and treatment of complications in multiple pregnancies. As the prevalence of these higher risk pregnancies is increasing, join our international faculty for a crucial update on the vital role that ultrasound plays in the screening and monitoring of multiple pregnancies.

Fees

Onsite:

Live stream:

ISUOG member

£325

£130

Non-member*

£395

£200

*Fees for non-members include ISUOG basic membership for one year, starting from the time of the course.
